

SWAPS

SWAPS is a sample exchange which you can enter into at any time up until NEWS 2009. The program will be discontinued at that point. You don't need to attend NEWS to join in. Just add on a little extra warp to your next project. Check out the beautiful samples that can be yours on our website: www.newenglandweaversseminar.com.

We are currently in Round 2.

Weave 20 samples, in any structure and level of complexity. They should be about 4" square. Write up the details on the Draft sheet located on the back inside cover, and make 20 copies.

Please note: Cover with white paper the category you will not be using (SWAPS or NEWS Sample Library). This is on the top of the draft sheet. For the NEWS Sample library, we only need one sample and one draft sheet, which is sent to the traveling librarian.

Staple a SWAPS sample to each sheet, and mail it by July 12, 2009, to:

Patricia Morton
41 Birch Meadow Road
Merrimac, MA 01860-1826

Include a large manila SASE, with enough postage for the return shipment. You will receive up to 19 samples in return, not including yours. One of your samples will go into the NEWS Sample Library.

Contact Patricia with any questions at 978-346-9625, or pmorton@surfbest.net.
